App license per user

First version number:

From innovaphone software version/release (V**/R*):

Expected completion for the innovaphone App Store:

License type [App(manufacturer-App)]:

Prices

innovaphone also offers purchase licenses for rent. The rental price is calculated by innovaphone on the basis of the currently valid multipliers. However, it is possible to choose that the licenses are only offered for rent. Rental licenses, however, cannot be combined with purchased innovaphone systems.

Offer to purchase and rent

List price in EUR (recommended retail price per user license not including VAT):
The rental price is calculated according to innovaphone's usual multiplier from the list price.

Offer to rent only

Rental price per month in iSC (required number of iSC per average month):
