Enhance Customer Accessibility

The screenshot displays a Microsoft Teams interface. On the left, there is a contact list with categories: 'Busy lamp field', 'BLF', 'Marketing', and 'Phone favorites'. The 'BLF' section lists contacts like Marc Poulsen (IT-Support) | 180 (Vacation), Tyler Carter (Fuhrpark) | 225 (TOYA), and Dennis Feeney (Management) | 200 (Sales Call). The 'Marketing' section lists Susan Sommer (Marketing) | 126 (Busy) and Luca Cattaneo (Marketing) | 175 (On the phone). The 'Phone favorites' section lists Alexandre Gravel (Management) | 221. In the center, a call control panel includes buttons for Connect, Disconnect, Mute, Hold, Park, Transfer, Conference, Pick up, DTMF input, Notes, and Callback. A call log shows an incoming call from Holly Connor | 135 to Luca Cattaneo | 175, with a duration of 00:21. On the right, a 'Notes' window is open, showing a 'Switchboard' note from 4/8/2026 12:52 PM: 'This note was created for a call between Holly Connor (135) and Luca Cattaneo (175). Add your notes below.' Below it is a note from Luca Cattaneo (... 4/8/2026 12:53 PM) with the text '#endcustomer' and 'Might be a promising project!'. The bottom of the interface shows navigation icons for Home, Chat, Meet, and Phone.
